# **I. MISSION AND PRINCIPLES**

## **Our Mission**

*Allegiant Preparatory Academy* educates all students with rigorous academics, character development, and a commitment to community necessary for college success and a life of positive action.

## **Core Beliefs**

In order to achieve our mission, the team of *Allegiant Preparatory Academy* (APA) believes:

- Every child, no matter race, socio-economic status, zip code or home language, can be on a path to college.
- Students learn best in a safe, structured and supportive school environment.
- Fostering intelligence *and* character is a critical component of an excellent education. We describe “character” as the combination of five core values: Respect, Integrity, Responsibility, Perseverance, and Unity.

## **Core Values**

*“The ultimate measure of a man is not where he stands in moments of comfort, but where he stands at times of challenge and controversy.”*

*Dr. Martin Luther King, Jr.*

At Allegiant Prep, our lessons, rules, and priorities start with our values. We talk about these values every day and help our young learners understand what they look like, how they impact our decisions and the responsibility each of us have to uphold these values throughout our school. These values are:

### **Respect.**

*We show respect by treating others the way we want to be treated. This includes respect for our physical space.*

### **Integrity.**

*We show integrity by doing the right thing even when no one is looking.*

### **Responsibility.**

*We demonstrate responsibility by taking ownership of our actions.*

### **Perseverance**

*We do our very best even when the work is hard from the first minute to the last minute of the day.*

### **Unity.**

*At Allegiant Preparatory we show unity as a team and believe “I am because We Are”. Each individual student cares about the well-being of their classmates.*

Every member of the APA community, students and staff, understands that our values are essential qualities that we must uphold if we are to reach our school’s goals.

**Student Drop-Off**

Families who drive student to school in the morning must pull up to the lane outside Allegiant Prep entrance and wait their turn before allowing their child to exit the car. Our doors open at 7:30 am. At that time, an Allegiant Prep staff member will be there to greet the car and escort the student safely into the building. Students should be seated in the passenger side of the car (curbside), with their backpacks in their laps and their coats on. Parents may park in a designated area and walk their student up to the school entrance if they would like. The safety and security of Allegiant Prep’s students and staff is our priority. Accordingly, parents must adhere to the above pick-up and drop-off policies and are kindly requested to respect other families picking-up and dropping off their children. Students dropped off before 7:30 am will have to wait outside at the entrance until doors open.

**PICKUP POLICY**

Teachers may only release students to authorized adults. We include in the Allegiant Prep Welcome Packet a form that allows parents to identify the adults authorized to pick up your child. Parents can add or take adults off their authorized pickup list at any time; however, they must do so in person in the school’s office or via a written and signed note, submitted to the Allegiant Prep office. We cannot accept request for changes to pick up lists via phone.

Adults picking up students must be able to provide formal photo identification (e.g. Driver’s License) in order to allow us to release a child to them.

Finally, any changes to regular routines, such as before or after school care must be communicated to the Allegiant Prep Office by 1 pm the day off the change.

**LATE PICK-UP POLICY**

Students are expected to be picked up by 4:30 p.m. every afternoon Monday – Thursday. Students should be picked up by 2:30 p.m. on Fridays.

Children not picked up by 4:30 p.m Monday – Thursday and 2:30 p.m. on Friday will be supervised; however, we reserve the right to charge families a \$5 fee in any instance in which if they do not pick up before 4:30 p.m.

In the event, a student is not picked up by 5PM (or 3PM on Fridays). If we are unable to reach a parent and/or guardian, we will contact the Department of Children Services (DCS) to request their help.

**EARLY RELEASE FRIDAYS**

The school day ends at 2 p.m. every Friday. (Our team uses the remainder of the day each Friday for meetings and professional development.) Parents should arrange for their child to be picked up by 2:30 p.m. each Friday. Similar to our system other days, parents will incur a \$5 late pick up fee for any instance in which their child is not picked up by 2:30 p.m..

*Families should enroll students at after school care provider if 2pm pick-up on Friday is a concern. Please contact the Office Manager for a list of Before and After School care programs in the area.*

**SCHOOL BREAKFAST AND LUNCH**

*Allegiant Prep* provides breakfast and lunch to all students each day. (Families will need to complete the Free, Reduced, Paid lunch form to determine their daily cost for lunch) Students must arrive to school between 7:30 and 7:50 a.m. to be in time for breakfast. Students may, instead, bring breakfast and/or lunch from home; however, they will not have access to a microwave to heat their lunch.

We encourage families to not include soda, sugary drinks (such as sports drinks), chips and candy in lunches brought from home.

**FOOD ALLERGIES**

Parents need to notify Allegiant Prep and note in their child’s health form any food allergies. Allegiant Prep will do all we can to accommodate students with food allergies.

In some instances, Allegiant Prep’s Head of School or Operations Manager may ask to meet with the family in order to develop an Individual Health Care Plan, which will include steps to accommodate students with food allergies.

Due to possibility of food allergies (known or unknown), we will instruct students not to share or trade food.

**SCHOOL SUPPLIES**

Prior to the start of school, students will be given a list of supplies necessary for learning. We ask families to bring these supplies with them the first day of school. We expect that these supplies will last students most of the first semester.

We also ask that families provide their children pencils, crayons, and glue sticks at home, so they may have what they need to complete daily life work.

#### **BIRTHDAY CELEBRATIONS**

Birthdays are a big deal for young children and we are excited to celebrate them with your child. However, we do ask for your help in making sure that they do not disrupt learning in the classroom.

If you wish to organize a school-day celebration of your child's birthday, please contact the Allegiant Prep Office Manager first, will help arrange a convenient time for a celebration and inform parents of any food allergies of students in the class.

In order to make sure we can accommodate any allergies, we cannot allow families to bring in home baked goods. The food must be purchased at a store. We recommend families bring easy-to-eat treats, such as cupcakes, ice cream, yogurt and granola cups, or fruit salads.

#### **SCHOOL CLOSING**

In the event of poor weather conditions such as heavy snow or ice, please check your local television station, radio stations. We will also post this information on our website ([www.allegiantprep.org](http://www.allegiantprep.org)) and our Facebook page. Allegiant Prep will also send an automated call to all families, relaying notice of a school closing or a two-hour delay.

Often, Allegiant Prep will follow the same delay and cancellation policies as Indianapolis Public Schools (IPS). If IPS schools are closed due to inclement weather, Allegiant Prep is likely to close too. If Indianapolis Public Schools are delayed by two hours, so is Allegiant Prep. If there is a 2-hour delay, Allegiant Prep will open our doors at 9:30am and students will be considered tardy on or after 10:00 a.m.

#### **MAKE-UP SNOW DAYS**

If Allegiant Prep is closed due to the weather more than two days, Allegiant Prep will add instructional days to the end of the school year. We will notify families within a timely manner via a written note home, newsletter, social media announcement and an automated call.

#### **HEALTH**

If a child is injured during the school day, we will contact the parent/guardian and make arrangements for the child to get care. Please help us make sure that the Allegiant Prep office is equipped with the most updated list of emergency contacts. If, for any reason, your child requires immediate medical attention, we will make every attempt to contact an adult listed on your child's contact sheet. If we are still unable to reach you, the school will seek medical attention on its own.

Parents received, with their registration packet, a waiver, granting the school permission to administer over-the-counter medicine to students when appropriate.

Students who need to take prescribed medicine during the school day must obtain the appropriate documentation from registered doctor and supply the school with the prescription and the necessary medicine.

## **FAMILY INVOLVEMENT**

*Families, including parents, grandparents, older siblings, aunts and uncles, play an irreplaceable role in our students' growth and development. We want to make sure that every family is able to attend closely to the progress of their student. There are a number of ways in which families are able to keep track of their child's progress. Consistent with the promises noted in the Allegiant Prep Compact, parents are expected to participate in their children's learning in the following ways:*

- **Parent/Teacher Conferences**

We have Parent/Teacher Conferences once each semester. Students Parents/guardians should attend each conference to follow their progress of their child. If parents are unable to attend on the designated day, we ask that parents arrange an alternate time or date with their child's teacher.

- **Procedure for Parent/Guardian Concerns**

Academic Issues

For academic issues the first call should be to the Teacher. School leadership will collaborate with the teacher to address any parent/guardian concerns. If there is not a resolution to the problem, the parent/ guardian should then contact the Head of School. All issues will be mediated at this level and the appropriate decisions will be made.

Discipline Issues

Discipline problems should first be discussed with the Teacher. School leadership will collaborate with the teacher to address any parent guardian concerns. If there is no resolution to the problem, the parent/guardian should then contact the Head of School. All issues will be mediated at this level and the appropriate decisions will be made.

## **Community Involvement**

Throughout the year, Allegiant Prep will organize opportunities for our students to learn about the surrounding community. Families can expect their children will participate in field lessons (instruction and experiences in locations outside the school building), community service activities, and special school events, including Literacy Nights, Black History Celebrations, Grandparents' Day and more.

## **ALLEGIANT PREP ATTENDANCE POLICY**

Allegiant Prep students must arrive by 8:00 A.M. every day (Mon. – Fri.).

### **Tardy to School**

**Students arriving after 8:00 are tardy.** A parent/guardian must accompany their child to main office, at which point the student will receive a pass to join his/her class.

We strongly encourage families to drop their children at school before 7:40 so that they may get breakfast and start their learning day. When children are late to school, they not only have less learning time but their tardiness can also disrupt the learning environment for other students.

Students who must be late should still come to school, no matter what time they get there; however, in accordance with state policy, students that arrive after 11:30 a.m. will be counted as absent from school that day.

### **Early Dismissal**

Every moment of the school day is important. Still, in the event that a student must leave school before 3:30 p.m. Tues-Thurs. (1:30 p.m. on Friday), parents must enter the school and sign their child out in our main office.

If parents elect to pick up their child before noon (without healthcare professional note) and the child does not return to school, he/she will be considered absent from school that day.

It is particularly important we minimize disruptions in the last 30 minutes of each school day. Thus, we cannot allow parents to sign their children out between 3:30 p.m. and 4:00 p.m., Monday through Thursday, or between 1:30 p.m.-2 p.m. on Fridays.

In the event a student is tardy more than five times in a semester, the Allegiant Prep Administrative team will organize a meeting with the child's parent or guardian and develop with them an "on-time to school plan."

### **Absences**

If a student must miss school due to illness or any other reason, parents must contact the school via phone by 8:30 a.m. at 317-489-6877 to inform the school of their child's absence.

- In your phone call or note informing the school of your child's absence, please leave or list your student's name, your relationship to the student, and the reason for and date(s) of the student's absence.
- If a student is not in class and the school has not been notified that he/she will be absent, his parent or guardian will be called at home and/or work.

All questions regarding student attendance and attendance records should be directed to the school's Office Manager.

We ask that parents whose child must miss two or more days, get the help of a doctor and provide that note from their doctor upon their child's return to school.

If your child has the flu or another contagious illness, please seek medical attention and keep him or her home until better in order to avoid spreading the illness.

If a child becomes ill during the school day, we will contact the parent/guardian and make arrangements for the child to go home. Students must be fever free and have not vomited for 24 hours in order to return. Please help us make sure that the Allegiant Prep office is equipped with the most updated list of emergency contacts.

### **EXCESSIVE ABSENCES OR TARDINESS**

Students miss valuable learning time when they are not in school. Students who miss five or more days during a single school year are more likely fall behind in the early grades and are more likely to repeat a grade. The Allegiant Prep team believes it is critical that students are with us every day they are not ill. Our consequences for tardiness and excessive absences reflect this belief. These consequences include:

Tardiness:

- If students are tardy or released early more than fifteen times a semester, parent/guardian will be required to meet with the Head of School and construct and

commit to an Attendance Plan.

### **Absences**

- If student misses three consecutive days, his/her teacher will contact the parent/guardian to arrange for completion of missing work
- If student misses five days, the parent/guardian will receive a warning notice informing you that the next step will be a meeting with the Head of School during which all parties will commit to an Attendance Plan aimed at improving attendance patterns.
- If student misses 7 days, the afore mentioned meeting will be held.
  - Students who miss more than 10 days may also be retained and unable to proceed to the next grade
- Parents may now be reported to the proper authority for “Failure to Ensure” your child’s school attendance.

### **Bereavement**

- Scholars will be excused for up to 3 days if an immediate family member passes. Parents will need to provide a copy of the deceased individual obituary to excuse the absences.

### **Truancy**

Attending school every day is an important part of your child’s education. A child learns best by consistent reinforcement to the material being taught. Not attending school is related to lower grades and future tendency to drop out. Helping your child attend school every day is a great way parents can support their child in doing his or her best. It is also the law that all children attend school every day. Allegiant Prep policy states that after 10 unexcused absences, the school can file criminal charges against the parent for “Failure to Ensure” your child’s school attendance. Truancy charges may also be filed. A report to Child Protective Services can also be made following 10 unexcused absences. Excused Absences include: illness with a note or call from parent, illness with a note from the doctor, and death in the immediate family with note from parent.

**Please note:** Students who are absent from school cannot attend or participate in any school events occurring on the day of the absence, unless the school has given advance permission.

# **III. ACADEMIC POLICIES**

## **ACADEMIC PROGRAM**

The program at *Allegiant Prep Academy* is built upon six core principles:

- **Rigorous instruction** coupled with high expectations for every student.
- **A structured, consistent, and disciplined school environment.**
- **Frequent assessments of students' progress** drive instruction and personalized support programs.
- A consistent focus on **character** is essential to developing the social skills and a sense of community essential to students' professional success.
- Numerous opportunities for exposure through **field lessons**.
- **Longer school day and extended school year** to ensure the instructional time essential in preparation for the rigors of college work.

## **CURRICULUM OVERVIEW**

The Allegiant Prep curriculum is based on standards set by the state, identifying what students should know and be able to do at each grade. Each day's learning activities are designed to help our students master these standards, become great readers and math students and positive members of the classroom community.

Our teachers keep close track of what students know and how they are growing to help them determine what to teach students next. Their observations also help them know who needs extra help or more challenging work.

## **Parent/Family Communication**

Parents should expect monthly reports on their child's academic progress. Parents are expected to sign their child's nightly Lifework (homework) packet and return it to school. Teachers may also contact parents/guardians if they see a significant slip in academic performance or a special skill that needs extra practice at school and home.

*Teachers will prepare Report Cards, relaying students' progress, at the conclusion of each trimester. Teachers will distribute these report cards during Parent-Teacher conference at the end of every trimester. We require a 15-minute conference each trimester between parents and their child's teacher to discuss report cards.*

## **LIFEWORK/HOMEWORK POLICY**

At Allegiant Prep, families should expect their children will have some type of work to do for school every school night and over the weekend. We call this "Life Work." Each assignment not only reinforces skills taught in class earlier that day but also helps students build habits that are critical to their college and life success.

Families should expect their children will have up to 30 minutes of lifework each night. Allegiant Prep will provide students with a lifework folder and will expect each child to bring his/her lifework folder back and forth from home to school every day.

Every Monday, teachers will supply students with the week's life work. Parents should check to make sure their child's is making adequate progress on their lifework throughout the week.

In addition to lifework, we also ask that families read with their children for 10-20 minutes every night. for at least 20 minutes. Even while students are learning letter sounds and basic words, they still gain a great deal simply listening to parents, grandparents and older siblings make sense of written words and hear what fluent reading sounds like. Over time, students will take on more responsibility for actually reading books, which is when parents can help them with new words and ask questions about the story to make sure their children understand what they are reading.

Finally, Allegiant Prep teachers will share their contact information with parents during the first week in school. Parents may contact via phone their child's teacher with any questions or concerns about lifework before 7p.m. (Monday – Thursday).

#### **HOLIDAY PACKETS**

Allegiant Prep will also require students to complete academic packets during each break of five or more days (e.g. Fall, Winter, Spring, and Summer Break). Our Holiday Packets are designed to keep students on track academically and help make sure students do not forget all that they are learning over the break. Please help supervise your child and make sure he/she completes the work assigned over each break.

#### **MAKE-UP WORK**

Students are responsible for all missed work while absent. Lifework is put in Lifework folders for the week each Monday. We expect students, if absent from school that week, will still complete their Lifework as they get well. (If absent on a Monday, students should pick up their Lifework folder when they return to school, and make-up any missed work.)

Parents may pick up their child's Lifework folder while he or she is absent. We ask that parents contact the Office Manager 30-minutes prior to coming in so that we may have time to retrieve your child's folder.

#### **ASSESSMENTS**

In order to tailor our instruction to meet students' unique learning styles and academic needs, we need to regularly check their skills and see how they're progressing. We'll use a number of different tools in every classroom to check on students' progress.

- STEP Reading Assessment: Every student will take the STEP assessment four times a year. These tests help us know how well students are progressing as young readers. We'll share the results of each STEP assessment in our quarterly report cards.
- Allegiant Prep students will also take interim assessments in Math, Reading and Writing six times a year (beginning, middle and end of each semester).
- In August, January and May, Allegiant Prep students will also take the NWEA MAP test, a test they take on the computer. The NWEA test helps us know how each child is growing; they also tell us how well our students are reading and solving math problems, compared to other students at the same grade across the country.
- Allegiant Prep students will participate in all state mandated testing starting in 3<sup>rd</sup>

Grade.

#### **PROMOTION AND RETENTION**

A student shall be promoted to the next grade based on academic and social readiness. If a student is retained, s/he will continue in the same grade level for another school year.

Classroom teachers, the Head of School and other school staff may contribute to the school's decision to promote or retain a student. Special consideration for promotion and/or retention shall be given to students with special academic, social, and emotional needs. Allegiant Prep does not promote students to the next grade based solely on the age of students

The Allegiant Prep team weighs a number of factors in considering students' readiness for the next grade. They include:

1. Report Card grades;
2. Knowledge and skill level, demonstrated during assessments;
3. Readiness to learn the knowledge and skills required at the next grade;
4. Record of previous interventions;
5. Number of absences;
6. Previous instances in which the students was held back or retained;
7. Special circumstances that may have adversely affected the student's participation in instruction or relevant assessments.

A student's parent or guardian will be invited to discuss potential retention well in advance of a decision being made. Classroom teachers make recommendations to promote or retain students in their classroom. Head of School makes the final decision, based in part on the teachers' recommendations. Allegiant Prep reserves the right to make exceptions to this policy given special circumstances.

#### **SPECIAL EDUCATION**

Allegiant Prep commits to providing every student, regardless of ability, a free and appropriate public education (FAPE).

FAPE mandates that the school provides all students, including those with disabilities, access to general education. Students with disabilities may receive specialized support free of charge.

Allegiant Prep provides a variety of special education programs for students identified as having a disability, as determined through the proper evaluation dictated in the Individuals with Disabilities Education Act (IDEA). As a practice, Allegiant Prep provides students with Individualized Educational Plans services within the regular classroom. The services are often provided by a special education teacher, working alongside the classroom's other instructor(s). We call this approach "full-inclusion"

Parent/Guardian involvement in this procedure is required. A parent or guardian who believes his/her student may have a disability should relay this information *in writing* to his or her teacher or the Head of School. Allegiant Prep commits to ensuring all students' needs are met. We are committed to serving all students.

Allegiant Prep teachers familiar with expectations of students at each grade level may have concerns regarding the academic performance and progress of specific students. Teachers are expected to bring their concerns to specific committee consisting of the Head of School, the

teacher, Coordinator of Students Supports and/or special education teacher. This committee will make recommendations based on the student's needs and contact the student's family to share their assessments.

Parents must consent to a formal evaluation, conducted by licensed evaluator or school psychologist, if a child is to be identified as in need of special education services.

#### **WITHDRAWING A STUDENT**

If, for any reason, a student must withdraw from school, her or his family should inform our Head of School (via the office) at least two days before the last day of attendance. School records will be forwarded when the new school requests them. Families will then be instructed to complete an official withdraw form available in our front office. The withdraw form also includes a brief "exit survey," telling our team more about your experiences at Allegiant Prep and why you are leaving.

If families are dissatisfied or disappointed with Allegiant Prep and its team for any reason, we encourage you to contact the Head of School as soon as possible. We are committed to addressing your concerns once we know about it. Our entire team is committed to addressing all concerns regarding our program and its support for Allegiant Prep students.

#### **BUILDING SAFETY AND SECURITY**

Allegiant Prep ensures the safety and security of its students and staff at all times. Our Administrative Team reserves the right to take all necessary actions to ensure the safety of our students and staff, even if it requires we must take action against a student and/or parent/guardian for failure to follow school policies and procedures.

#### **VISITOR POLICY**

All family members or other visitors to the school are required to report to the Front Desk upon entering the building. Visitors must wear a visitor badge on an Allegiant Prep lanyard around their necks at all times. Any visitor, including a parent/guardian, who does not report to the office or is found in the building without authorization will be asked to leave.

Parents are encouraged to visit Allegiant Prep at any time except the first month of school – at which time students are still learning the rules and routines of Allegiant Prep. We discuss other kinds of parent engagement and involvement in more detail later in this handbook.

#### **EMERGENCY PROCEDURES**

Allegiant Prep considers the safety of every student and staff member to be of highest priority. We have detailed procedures our entire school community will be expected to follow in the case of emergencies, in or outside the building. For instance, students and staff will participate in fire drills monthly (as required by law) to ensure that the entire school community is familiar with the appropriate response in the event of an emergency.

In the event of an emergency, we will make every attempt to ensure families are informed of such a situation and are likely to do so through our automated message service. Please help us and make sure that your family's contact information is up to date in order to help ensure you get timely information about your child in the event of an emergency or any other unexpected event.

# IV. CULTURE

## Introduction

In this portion of the handbook, we discuss the culture that we strive for at Allegiant Prep. A school's culture has a tremendous impact on the achievement of its students. We believe a strong, positive school culture aligned with our values will put our students on the path to becoming great students, leaders and positive contributors to their communities.

## School Culture and Environment

At Allegiant Prep, we have a vision of excellence that drives what we mean by great teaching, strong relationships, and family engagement. This vision shapes everything we do every day at Allegiant Prep.

Allegiant Prep expects all staff and students to exemplify our core values of **respect, responsibility, integrity, perseverance, and unity**. Our team will work to optimize classroom learning time and ensure all rules are fairly and consistently enforced.

Allegiant Prep classrooms are a special place. Teachers engage and challenge students in ways that are tailored to meet students' individual needs. We teach our students that effort will lead to intelligence. Our team will help students understand how every lesson connects to their interests and will help them in their lives outside of school.

Our students' **parents** are an integral part of our school and their child's success. We expect parents to work just as hard as teachers to further their child's development and learning. Just as parents might coach us on the best ways to interact with and ensure the behavioral success of their child, we will coach them on how to best support their children academically and behaviorally, as well. Families will receive daily updates and be invited to University Nights to learn more about what students are learning at school and how to reinforce this learning at home.

## The Outcomes of Our School Culture

We believe that, if our students are to succeed academically, graduate from college and be the positive contributors to the community we believe they can be, their preparation for such success must begin in kindergarten and first grade. Our school is built around preparing every student to achieve these goals for themselves and their families. The following is a list of outcomes that we will see in our school as evidence of a strong school culture. These outcomes will help us define what success looks like and measure the effectiveness of our culture program.

### Routines and Traditions

- School-wide and classroom routines are communicated directly, clearly and with positive expectancy (both "you can" and "you will").
- School-wide and classroom routines maximize learning time.
- There is steady forward progress on the compliance-investment continuum. There is 100 percent compliance to following all routines and directions ("First time, every time").
- Every student, parent and teacher is able to explain the "What?" and "Why?" of routines and expectations. The "Why" is related to how these expectations will help

students succeed in the real world.

- Every student, teacher and parent in each grade has something to look forward to every day, week and month of the year.
- There is an intentional approach to developing character. This may include a calendared-out, monthly canon of shared readings, stories, poems, films, field lessons, assemblies, special events, etc. that simultaneously build community and reinforce the school's values.

#### General Outcomes

- Students have developed the academic and character skills they need to graduate from college and succeed in life.
- Students demonstrate excellent character inside and outside of school. They do the right thing even when no one is looking.
- There are high levels of student attendance, lifework completion, and parent satisfaction
- Students are in class, on-task and learning 100% of instructional time.

#### Physical Space

- The school environment shows close attention to detail. It is clear that great thought has gone into how to use every square inch of the physical environment to reinforce core values.
- The school environment is bright, inviting, and reflects student ownership.
- The school environment purposefully reinforces the school's core values and mission. There are posted examples of outstanding teacher and student academics and character.

#### Interactions and Relationships

- All students know they can achieve by working hard ("I can...") and that they will benefit from their achievement ("I want...").
- There are genuine, unscripted gestures of kindness and helpfulness. Students are genuinely happy and proud to be part of the school community.
- Teachers develop meaningful personal relationships with students. Students feel acknowledged and affirmed as worthwhile, important and cared-for as individuals by teachers.
- Classroom climates are strong. Students are encouraged to take intellectual risks.
- Students are respected at all times, even during moments of adversity
- Students praise and support each other in a genuine and mutual way.
- Visible and audible, genuine listening between students, teachers, families and each other.
- Students receive regular, detailed, individualized feedback on their academic learning.
- Students receive regular, detailed, individualized feedback on their behavior and character development.
- There is systematic, regular, proactive parent communication

#### System and Support

- There are very transparent and well-defined standards of behavior as well as clear, predictable, and logical consequences for student misbehavior. All students know how all teachers will respond to certain behaviors, and students also know that repeated

- misbehavior will get increasingly heavier consequences.
- There are effective systems for checking, communicating, incentivizing and tracking attendance, timeliness, homework completion and uniform infractions. These systems are routinely analyzed and revised.
- There is a system of remediation for targeted academic and behavior skills and chronic under-performance. Clear criteria trigger automatic interventions.
- There are regular times for teachers to reflect on the school culture, working together to both celebrate strengths and take steps to address areas of growth.

Any such form of coercion or harassment will result in appropriate discipline, up to and including, expulsion.

### **STUDENTS LEAVING BUILDING**

Under no circumstances are students to leave Allegiant Prep building without permission. A student with permission to leave may only leave under the escort and supervision of an authorized adult. Families should be aware that Allegiant Prep has several neighbors and should be respectful and courteous of their needs. Once students have entered Allegiant Prep in the morning, they may not leave the building unless they are escorted by a school staff member or other authorized adult. An authorized adult may come to the front office of the building before 3:30 pm Monday – Thursday and 1:30 pm on Friday.

### **Our Character Education Program**

Our mission is two-fold; we not only want our students to excel academically *and* exhibit strong character. The rules of the classroom are aligned to our school's values and the constant focus on making choices that are respectful of themselves, their potential and others around them. Students should be able to understand that the right choice is not always the easy choice, but that making the right choice will allow them to be their best self.

### **High Standards for Academics, High Standards for Behavior**

Allegiant Prep is unequivocally committed to providing a safe and orderly environment in which students can improve their academic achievement. Students whose behavior does not meet the school community's clearly defined standards for reasonable and acceptable behavior will not be permitted to disrupt the education of others.

**Without a firm and consistent discipline policy, none of what we envision for the school can happen.** Students and families have the right to attend a safe and orderly school. Therefore, *for every infraction, there will be a consequence.* This is the basis of our student code of conduct.

### **Respectful and Courteous Environment**

In order to create and sustain a respectful and courteous learning environment, students will be taught and expected to: politely greet staff each morning, greet teachers as they enter the classroom, as well as welcome any guests who are visiting the building with a handshake, a pleasant greeting, and an introduction. Students will practice these skills each day. These social skills are an important factor not only in creating the type of school environment we desire,

but are an essential part of every student's growth into adulthood.

### **School- Related Consequences**

Below is a description of school-related disciplinary offenses for which a student may be subject to detention, in-school suspension, out-of-school suspension, or expulsion. A school-related disciplinary offense refers to the violation of this code occurring:

- while the student is on school grounds or school-related transportation;
- during a school-sponsored activity; or

The list of offenses that follows is not meant to be comprehensive; there may be other circumstances that warrant disciplinary measures as well. Along with the list of consequences that result from such offenses, students may also earn a loss of privileges, which include but are not limited to:

Infractions include:

If the Head of School determines that the student's continued presence would have a detrimental effect on the general welfare of the school, then the Head of School is the final determinant to suspend or expel a student who has been charged with a felony.

In addition to expulsion, Allegiant Prep reserves the right to report legal violations (assault, theft, vandalism) to the local police, which may wish to take further action irrespective of the school's action.

### **Harassment, Intimidation, Bullying or Cyber-Bullying**

Allegiant Prep supports and provides for an academic learning environment that is free from any type of harassment, bullying, intimidation, or cyber-bullying.

## **In-class Behavior Management System**

Allegiant Prep students will adhere to the Community Contract as a guideline for in-class disciplinary action, suspension, or expulsion of students.

Each day, students will begin on “green” according to the classroom behavioral chart used to track student behavior. Students may move up and down the color chart throughout the day. The following list defines each of the colors and the respective behaviors associated with them.

**Gold= Outstanding day: Went above and beyond the entire day**

**Blue= Great day: Great choices the entire day**

**Green= Good day: Good choices the majority of the day**

**Yellow= Warning: A few bad choices during the day**

**Red= Negative choices: Consistently made bad choices during the day**

*Students will never move another student’s name, only their own. Doing so creates a negative dynamic amongst peers. Students will also have two warnings before moving down the behavior chart. However, each teacher reserves the right to decide which infractions warrant automatic movement without warning.*

- **General infractions** for a warning can include, but are, not limited to: not following directions the first time and talking/moving when not supposed to.
- **Level two infractions** that result in automatic color change can include but are not limited to: unkind words to a teammate or teacher (name calling), tantrum (crying only), saying “no” to direction, or refusing to follow an adults direction.
- **Level three infractions** that result in automatic red include but are not limited to: profanity or sexually explicit language; physical violence toward anyone (teacher or student) – hitting, kicking, biting, pushing; vandalism (writing on or intentionally destroying school property), tantrum (physicality, not being able to stay with class); pushing furniture.
- **Positive behaviors** include repeated public “shout outs” for students who make positive choices. A student who ends on “Green” each day in a given school week may be designated Student of the Week.
  - **Student of the Week** is achieved when students are present every day, complete Life Work every night, earn Green every day, and get their Life Work signed by a parent or guardian every night. Students of the Week are rewarded weekly with treats from the treasure chest.
  - **Student of the Month** is earned when students consistently display all 5 Core Values and make progress that reflects academic and behavioral growth. Students of the Month are rewarded monthly, with a certificate, during Community Circle

## **Student Restraint**

Allegiant Prep maintains a strict Code of Conduct and clear disciplinary procedures. These procedures include a clear set of consequences that includes color changes, loss of privileges, suspensions, and expulsions.

Allegiant Prep does not allow parents to use corporal punishment to discipline their students while on Allegiant Prep property. Some examples of corporal punishment include, but are not limited to:

- Shoving, striking, grabbing, shaking or hitting a student
- Throwing objects at a student
- Unreasonable restraint of a student
- Directing others to engage in any of the activities listed above.

School personnel may need to physically restrain students as a last resort in order to protect students and themselves. When our teachers must physically restrain a student, the Head of School shall file a detailed report of such with Allegiant Prep's school board. All personnel authorized to administer any forms of restraint shall be trained annually in accordance with Department of Education guidelines.

## **BATHROOM ACCIDENTS**

Parents may need to send an extra pair of pants, underwear, and socks to school if they are concerned their child may have a bathroom accident. If a child has an accident and does not have a change of clothes, we will provide loaner pants and underwear for your child and ask that it be washed and returned to school.

## **Allegiant Prep Behavior**

Students are expected to act responsibly and respectfully at all times because they are students at Allegiant Prep. The school takes a number of measures to facilitate responsible and respectful behavior, including but not limited to:

- The Head of School or his/her designee reviews expectations for appropriate behavior at all Family Orientations;
- Teachers review expectations for appropriate behavior in class;
- Head of School or his/her designee meets students each morning to ensure appropriate student behaviors; and
- Head of School or his/her designee contacts any parent whose child has failed to act responsibly and respectfully on the school bus and imposes the appropriate consequences for the misbehavior, following those guidelines set out in the Student Code of Conduct.

## **Community Service and College Expeditions, Field Lessons and End-of-**

### **Year Field Lessons**

Allegiant Prep requires outside learning experiences and special school events. During these activities, it is important for all students to be responsible for their behavior since the site of the activity or event is a temporary extension of the school grounds. A permission slip that allows students to attend each school field trip or event will be sent home prior to the trip/event and should be signed by a parent or guardian. Students who fail to return the signed slip — or who are not permitted to attend as a result of an earlier incident — will not be eligible to participate and will be required to attend school that day.

If parents or other volunteers assist with such trips or events, students must afford these chaperones the same respect they would provide to teachers. Appropriate behavior must be maintained when attending school-sponsored events, and riding on school-provided transportation. The use of portable electronic devices is prohibited on field trips unless the trip leader specifically indicates otherwise. Past or recent inappropriate behavior may result in detention, suspension, or loss of privileges in attending or participating in class trips, events, and end-of-year field lessons.

### **Academic Celebrations**

Allegiant Prep will host academic celebrations throughout the school year to recognize our students' hard work. These celebrations will recognize students who make the Honor Roll, achieve significant academic growth and consistently demonstrate our School's Core Values.

### **Forgery**

Shared information and constant communication among teachers, students, and parents are crucial to the success of the school. Progress regarding academic and behavioral performance will be conveyed through a variety of means, including but not limited to weekly/bi-weekly progress reports and quarterly report cards, to be brought home by students, signed by parents, and returned by students the next school day. Any student, who forges their parent or guardian's signature, or forges parental or guardian approval on any official or unofficial school communication, will face an in-school or out-of-school suspension.

### **Late Student Pick-Up**

Parents/guardians of students are expected to make arrangements to pick up their children on-time after school. If late pick-up becomes habitual, the school may notify Child Protective Services of the parent/guardian's habitual failure to arrive on-time. In any instance that a parent/guardian is going to be late to pick up a student, the parent/guardian is required to notify the school as soon as possible. Families will be charged families a \$5 fee in any instance in which if they do not pick up before 4:30 p.m.

### **Uniform Policy**

In order to improve the school's educational environment, promote a more effective climate for learning, foster school unity and pride, and allow students to focus solely on learning and not on attire, the school has a dress policy for students that applies to all school days and school-sponsored events. The Administration of Allegiant Prep reserves the right to address any item of clothing or appearance that detracts from the uniform policy/code. In all cases, Allegiant Prep has the right and the responsibility to determine what is appropriate.

**Students who do not follow the guidelines appropriately will be given the missing item from his/her uniform to borrow for the day. Loaner uniform items will be collected before dismissal at the end of the day.**

Allegiant Prep is committed to equitable and swift resolution of harassment issues. Any student or employee experiencing harassment should follow any or all of these measures:

2. If you are not comfortable confronting the offender alone, ask a friend to accompany you, or write a letter to the offender, keeping a copy.
3. Make a record of when, where, and how you were mistreated; include witnesses (if any), direct quotes, and other evidence.
4. If you are a student, notify your teacher, or if you are uncomfortable doing so, speak with another adult.
5. If you are an adult, notify the Head of School

The Head of School will notify the authorities, if necessary.

## **School-wide Behavior Plan**

### **Hallway:**

Hallways are shared spaces and carry noise. We ask that all students and adults using the hallway during the school days keep in mind that classes are disrupted by hallway noise. Classes should transition from one space to another silently, in a single file line, with their hands to their sides. Students are to walk on the colored tape lines while transitioning

### **Restroom:**

In order to ensure that they are present in class to the greatest extent possible, students should make every effort to use the bathroom before school, during scheduled bathroom breaks, and after school. When it is necessary for students to use the bathroom during class time, students should follow their individual class's protocol for receiving bathroom permission.

Bathrooms are shared space, and students should treat their bathroom space with pride. Students should pick up after themselves, flush the toilets, and ensure that no paper products are left on the floor. Students should not bring anything with them to the bathroom, including writing instruments. Students who do not behave appropriately in the bathrooms will receive a community violation and will not be permitted to use the bathroom alone.

### **Bathroom Breaks:**

Students will be allowed designated bathroom breaks during the day, including one before lunch and one after lunch. Any additional bathroom breaks for each individual student will be left up to the discretion of his/her teacher. Families of students who need additional bathroom breaks for medical reasons must submit a doctor's note to the main office authorizing the need for additional bathroom breaks. No other documentation will be considered sufficient for additional bathroom breaks.

## **Building Safety and Security**

There are a number of basic procedures the school has in order to ensure the safety and security of its students and staff. Cooperation on everyone's part will go a long way in guaranteeing that the business of the school – teaching and learning – can take place.

The school has procedures on file in the case of various emergencies. Parties requesting information about these policies should contact the Operations Manager.

## **Visitor Policy**

For the safety of our school community, all visitors, including family members, must report to the Main Office upon entering the building. Visitors should wear visitor stickers at all times to indicate that they have checked-in at the main office. Parents are encouraged to visit the school; parent involvement is highly encouraged.

Our school has an open-door policy that allows parents to sit in on class during any time after the first month of school given 24-hour notice. During the beginning of school, it is critical for students to transition into their new setting, and parental presence in the classroom can slow this process. After our open house, we encourage parents to come into the classroom and see our amazing teachers and students at work. When observing in the classroom, parents are asked not to disrupt the education of their child or of other children or to attempt to conduct individual conversations with the teacher during instructional time. Parents who are disruptive to the educational process will be asked to leave.

## **TITLE IX POLICY**

If any of parents/guardians believes that he or she, or their student has been subjected to harassment, he/she should file a complaint with the Head of School (our Title IX Coordinator) at, or [randerson@allegiantprep.org](mailto:randerson@allegiantprep.org). This may be done in writing or orally.

All parents/guardians should take special note that, as stated above, retaliating against an individual who has complained about harassment, and retaliating against individuals for cooperating with an investigation of a harassment complaint is unlawful and will not be tolerated by this organization.

## **LOST AND STOLEN PROPERTY**

We strongly encourage families to ensure that students do not bring valuable objects to school. Any items that students bring to school that may cause disruption will be confiscated at Allegiant Prep. We make every reasonable effort to return all personal property to the appropriate parent; however, Allegiant Prep is not able to take responsibility for replacing lost, damaged or stolen property or compensating the family for the value of that property.

## **TRANSPORTATION**

Allegiant Prep is not able to transport students to and from home and school each day. We highly encourage families to carpool with one another and will help coordinate families interested in carpooling. Please inform the school office if interested. We will help connect interested families yet cannot otherwise guarantee or manage carpooling arrangements.

### *Transportation Accommodations*
